

# Sail-a-thon

Heart of Sailing will host **Sail-a-thon** in Seattle, WA on June 22, 2008 to benefit our sailing programs for special needs children

The Sail-a-thon is an international event to benefit Heart of Sailing's Daysail program, enabling special needs children and their families to enjoy the therapeutic benefits of sailing at no cost. Sail-a-thon is held in more than 25 regions across the U.S., Canada and Europe including sailing excursions, boat parties, beach picnics, and cookouts, as well as door prizes and awards for fundraising.

**Sail with us at 12am or 2pm from the Shilshole Marina**  
**Enjoy a picnic lunch at 2pm sponsored by the Captains**

Advance registration is required at: <http://heartofsailing.org/sailathon2008/Seattle-WA.asp>. There is no fee for general registration and all participants will receive a Heart of Sailing button. However, participants who register or raise pledges will receive incentives as described below.

- Sponsor a crew or individual Sailor.

Participants are encouraged to register as "crews" and choose a crew name for the event. Prizes will be awarded in each region for the crew and the individual with the highest fundraising totals.

Heart of Sailing is seeking volunteers and partnerships with Sponsors including Restaurants, Sporting Goods Stores, Yacht Clubs and Sailing Organizations to raise money for the Sail-a-thon, and provide sailing for the Special Needs families.
